Correction to the miscellaneous Incoming Letter
received by mail room on 05-20-2005.

This letter is now being treated as a
petition and has a typographical
error. (Petition Examiner Ms Grant)

In this letter a reference is made to
another letter explaining that there
were no new claims made. This letter
was the amendment after Rinal
with a mail room date of 03-31-2005.

The date of 23 February was mistakenly
given in the miscellaneous Incoming Letter
and should be 03-31-2005 (Mail Rm. Date)
as reference.

Thank You,
Edward L. Blendermann
